Detoxifier Homaccord Tincture

### Traditional Keynotes:
- Sinus Drainage / Decongestant
- Colds / Flu / Cough
- Allergies
- Immune Insufficiencies

### Complementary Remedies:
- Sambucus Intrinsic
- Berberine Intrinsic
- Olive Leaf Intrinsic
- Temple Warrior
- Adrenal Life Force
- Lircro Intrinsic
- Adreno Code
- HepataGest Powder
- DRG Milieu / FL Milieu
- Spleen Chi
- MetaChlor
- ALR-Tox II
- Ultimate Phenolics
- Throat Spray Milieu
- Mycelia Intrinsic
- MYP-Tox
- BAC-Tox
- VIR-Tox

### Posology:
30 drops, 2x daily

---

**SNS-Tox**

“Formally known as Sinus-Tox”

Concentrated Homeopathic Medicine

60 mL  NDC 54118-7113-2

---

**Sinus Detoxification**

*The Homeopathic Pharmacopoeia Convention of the United States defines detoxifier homaccords as “homeopathic attenuations of: pathological organs or tissues; causative agents such as bacteria, fungi, ova, parasites, virus, particles, and yeast; disease products; excretions or secretions.” Isopathic remedies share a close relationship with detoxifier homaccords, however, they emphasize substances taken and potentized from the patient’s surround such as environmental toxins, metals, imponderables, etc. Detoxifiers presented in this section are a combination of classical homeopathic preparations in a 60 mL cobalt blue bottle (protects the remedy) which may include detoxifier homaccords isodes, sarcoeds and potentized botanicals all designed to differentiate, constellate and amplify the keynote focus of the remedy. All ingredients are made from mother tinctures, hand diluted as per Hahnemann and hand succussed. Many are in multiple potencies known as homaccords to provide for the processes and patterns of homeopathic ascendency. Potentized Mesenchyme 6X, 9X, 6C and ATP 5X are included to assist in homeopathic ECM drainage and homeopathic empowerment.*

### Sinusitis

Sinusitis is the inflammation of the sinus cavities, the hollow spaces in the bone of the cheek and forehead. This can be caused by infectious agents such as bacteria, viruses, mycoplasmas, molds and fungus. Candida, etc. Sinusitis generally occurs when one or more of the sinus cavities become inflamed, due to blockage of the small tubes (ostium) attached to the nasal passages.

The sinus cavities are the moist air spaces within the bones of the face around the nose. Mucus that collects in the sinuses normally drains into the nasal passages. The sinus cavities can become inflamed in the presence of environmental toxins, allergens, or when one contracts a cold, preventing them from draining properly. This leads to congestion and infection of the nasal passages.

Mucus build-up can be caused by anything that causes swelling in the sinus cavities and/or prevents the movement of cilia. Swelling of the sinus cavities leads to an increase in sinus pressure and facial pain. When the cilia do not move, excess mucus drips down the back of the throat causing post nasal drip.

A person with Bacterial Sinusitis usually will have more facial pain, swelling and a fever compared to chronic sinusitis.

Most health experts will agree that the cause of chronic sinusitis is difficult to determine due to the polysystemic nature of the condition. Generally physicians prescribe nasal decongestants and/or nasal steroid sprays which help only temporarily.

### Common causes of sinusitis include:
- Allergens such as dust mites, molds, pollen, fungi, etc.
- These allergens may trigger allergic rhinitis, which can then lead to sinusitis
- Chronic colds & inflammation of the nasal passages
- Deviated nasal septum or nasal polyps
- Swimming
- Infectious agents including mycoplasmas, viruses, bacteria, Candida, etc.
- Dental work, heavy metals, and other xenobiotics
- Susceptibility to damp weather and climatic changes
- Asthma and lowered immune response

#### As with other infections, sinus infections lasting more than 7-10 days indicate that the adrenal glands require additional support and attention.

**Sinus cleansing with a “neti pot”** can be very helpful in relieving pressure and promoting drainage.

**SNS-Tox** is a unique homeopathic detoxifier homaccord designed to assist in the resolution of sinusitis and conditions associated with sinus infection and congestion.

**NOTE:** Adequate drainage using DRG Milieu and/or the Lymph BioToxicosis remedies is always recommended for clinical success with any of the detoxifier homaccords.

---

**Ingredients:**

- Argentum nitricum 10X
- Arsenicum album 12X
- ATP 5X
- Calcarea carbonica 12X
- Cinnabaris 12X
- Euphorbium officinarum 3X
- Hepar sulphuris calcarea 12X
- Hydrastis canadensis 3X
- Kali bichromicum 12X
- Kali iodatum 6X
- Mercurius iodatus ruber 8X
- Mesenchyme 6X, 9X, 6C
- Mucosa nasalis suis 8X
- Pulsatilla nigricans 3X
- Sepia 12X
- Sinussitisinum 12X
- Sticta pulmonaria 6X
- Trigonella foenum-graecum 3X

Materia Medica

*Argentum nitricum (Silver Nitrate) 10X* - Silver nitrate (a compound of silver) is caustic and anti-bacterial and was once used medicinally to cauterize wounds. The Argent. nit. remedy is mainly used for nervous and digestive problems. It is also effective for pain that is better from pressure in the sinuses and fresh air but worse with movement or from talking; laryngitis; sore throats and dizziness.

*Arsenicum album (Arsenic) 12X* - Is a frequently-used homeopathic substance derived from the metallic element arsenic. It is used to treat a range of symptoms that include digestive disorders (especially food poisoning), insomnia, allergies, drainage of lymph, anxiety, depression and obsessive-compulsive disorder and it has been studied as a possible treatment for arsenic poisoning.

*ATP (Sarcode) 5X* - Adenosine-5'-triphosphate (ATP) is a multifunctional nucleotide, and is most important in cell biology as a coenzyme that is the "molecular unit of currency" of intracellular energy transfer. In this role, ATP transports chemical energy within cells for metabolism.

*Calcarea carbonica (Calcium) 12X* - People who require this remedy are anxious, tired, sensitive to cold and tend to sweat copiously from the slightest physical exertion or when they sleep. It is used to treat slow development of bones and teeth, joint and bone pain, such as backache, slow-to-heal fractures and painful toothing in children and thyroid conditions; eczema; candidiasis; PMS/menopause, teeth, joint and bone pain, such as backache, slow-to-heal fractures and painful exertion or when they sleep.

*Cinnabaris (Mercuric Sulphide) 12X* - Heavy menstruation; and digestive disorders.

*Kali iodatum (Potassium Iodide) 6X* - Is said to cleanse and promote healthy glandular functions by increasing bile flow and digestive enzymes, thereby regulating healthy liver and spleen functions.

*Kali sulphuricum calcarea (Calcium Sulphate) 12X* - Hepar sulf. is mainly used when there is an infection, for example, in tonsillitis, earache and skin complaints where the skin is sensitive to touch, moist and suppurates easily. It is used for lymphatic congestion, sore throat with ear pain on swallowing and loss of voice or hoarseness; sinus congestion; ulceration or inflammation of the eyes; cold sores and mouth ulcers; colds that start with an itchy, tickly throat; a dry, hoarse cough or a coughing cough with loose, rattling phlegm in the chest; a chesty cough brought on by exposure to cold air, and flu with a fever, sneezing, sweating and a need for warmth.

*Hydrastis canadensis (Goldenseal) 3X* - Goldenseal's numerous uses are attributed to its antibiotic, anti-inflammatory and astringent properties. Goldenseal is said to cleanse and promote healthy glandular functions by increasing bile flow and digestive enzymes, thereby regulating healthy liver and spleen functions.

*Kali bichromicum (Potassium Bichromate) 12X* - It is usually given for complaints affecting the mucous membranes, especially in the nose, throat, vagina, urethra, and stomach. It is an important remedy for conditions with excessive mucus, colds that turn into sinus congestion with pressure and fullness in the nose and glue ear, with a sensation of fullness in the ear.

*Kali iodatum (Potassium Iodide) 6X* - This remedy is used to treat glandular complaints, such as swollen glands associated with anti-bacterial and anti-virus xenobiotics, as well as for flu, sore throats and prostate problems. People who need this remedy tend to get hay fever and sinus congestion.

*Mercurius iodatus ruber (Mercuric Iodide) 8X* - Relieves nasal discharge, stiffness of muscles in throat and neck, swollen glands, sore throat and sinuses.

**Mesenchyme (Sarcode) 6X, 9X, 6C** - Mesenchyme is a type of loose connective tissue, of mesodermal origin and located within the embryonic mesoderm, consisting of a ground substance matrix containing a loose aggregate of unspecialized cells which are capable of developing into connective tissue, bone, cartilage, the lymphatic system and the circulatory system.

**Mucosa nasalis suis (Porcine Nasal Mucosa) 8X** - This sarcode is made from nasal and sinus mucosa for the relief of chronic sinusitis.

**Pulsatilla nigricans (Pulsatilla) 3X** - Pulsatilla extends its effectiveness on stomach and bowels, female genital organs, blood vessels, mucous membranes, skin, lungs, eyes, etc. It is one of the frequently used medicines for complaints of recurrent colds/flu, styes and chalazion, asthma, urticaria, lichen planus, Vitiligo, trigeminal neuralgia, etc.

**Sepia (Cuttlefish) 12X** - Sepia is effective for complaints: salty-tasting mucus due to a cold or allergy; indigestion from milk and fatty foods, with gas and tenderness in the abdomen; headaches with nausea; dizziness; hair loss; brownish yellow, itchy, discolored patches of skin; profuse sweating; and sweaty feet.

**Sticta pulmonaria (Lungwort) 6X** - This herb is applicable to irritable respiratory conditions, such as bronchitis and asthma. It has recently been found that the lungwort lichens contain antibiotic chemicals that are effective against the kind of bacteria that cause tuberculosis and many other chest infections. It has many actions including being astringent, a pulmonary demulcent, an expectorant and mucolytic.

**Trigonella foenum-graecum (Fenugreek) 3X** - Fenugreek exhibits hypocholesterolemic, hypolipidemic and hypoglycemic activity. Fenugreek alleviates coughing, stimulates perspiration to reduce fevers and is beneficial for treating allergies, bronchitis and congestion and to reduce inflammation and fight infection. Fenugreek is also an excellent source of selenium, an anti-radiant, which is believed to help the body utilize oxygen.

Additional Ingredients:
Reverse osmosis water 68%
Ethanol 12%
Kosher glycerine from palm/or coconut oil 20%
